Tubing - Plain, Tapered and Fancy Shapes

Ornamental Tube Company

INCORPORATED

ATTLEBORO, MASS.

Div. 81

JUL 24 1961

PATENT OFFICE

JUL 28 1961

DIVISIONS 81 & 82

Standard patterns of tapered tubes listed by length in various outside dimensions.

Our tapered tubes are manufactured from the finest quality seamless tubing. Tapers can be made round, twisted, hexagon, octagon, fluted, reeded, and with steps.

Dies for your special sizes in plain round tapers cost about \$2.00 per inch of length. In square, hexagon, octagon, or fluted, cost will depend on the intricacies of pattern.

Unless otherwise specified, the wall thickness of our tapers is .032.

NOTE:

WE DO NOT POLISH, PLATE, OR SUPPLY ANY FITTINGS.
